*Tip!*

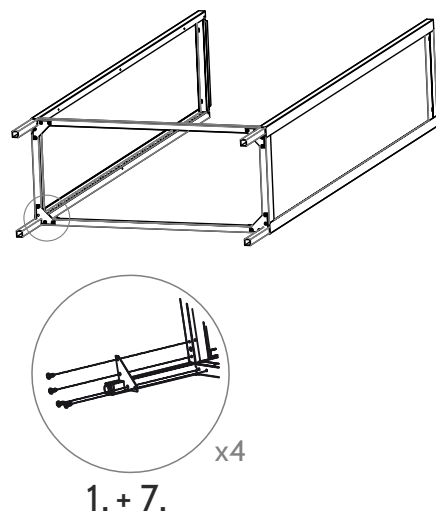

Be sure to carefully unpack the parts and place them on a soft surface, such as a blanket. Then check all parts for damage before you begin assembly. Assembled products cannot be returned.

1

Attention: Holes must face outwards, plastic levelling feet must face down.

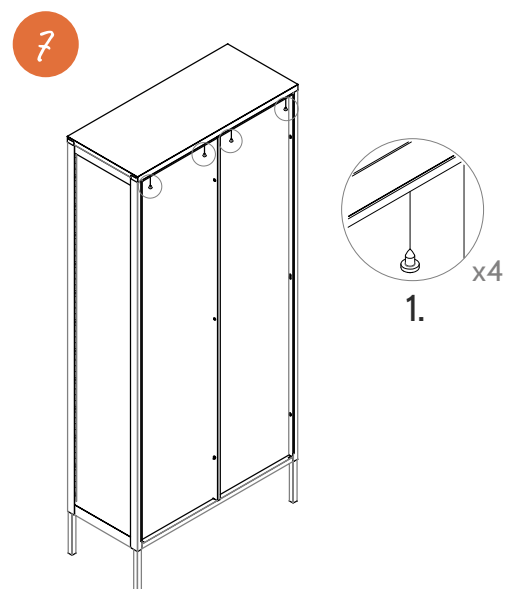

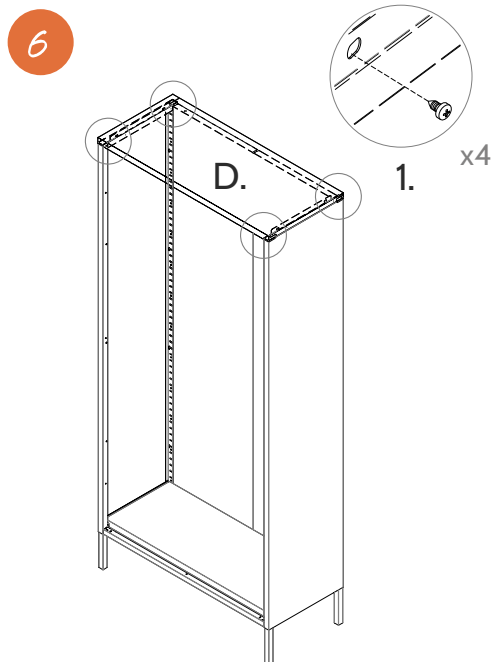

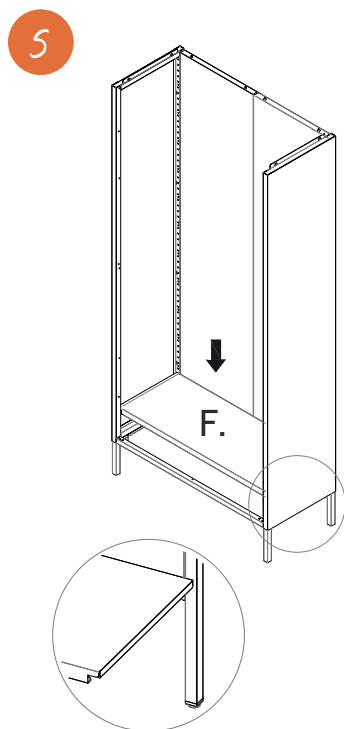

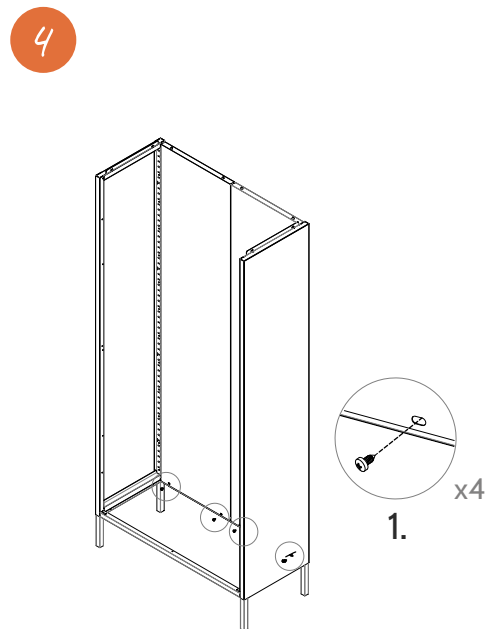

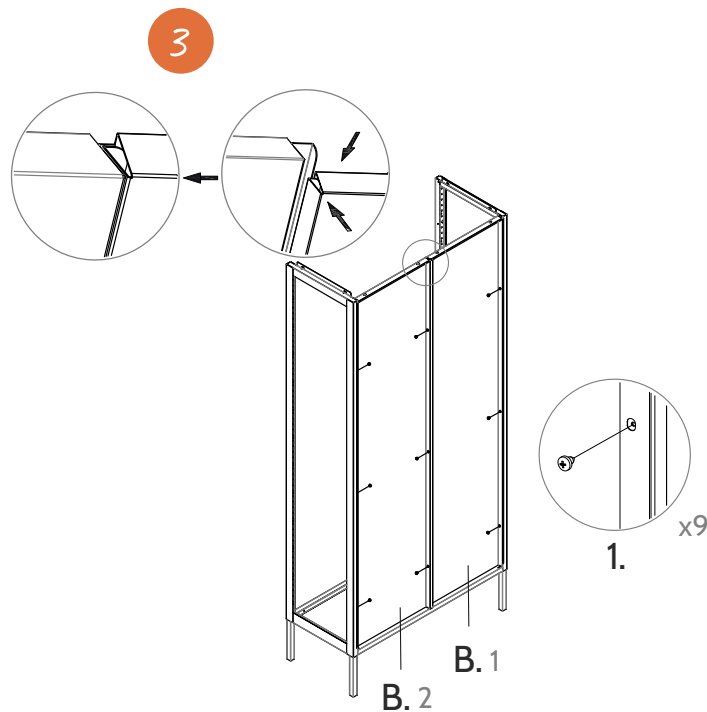

2

1. + 7.

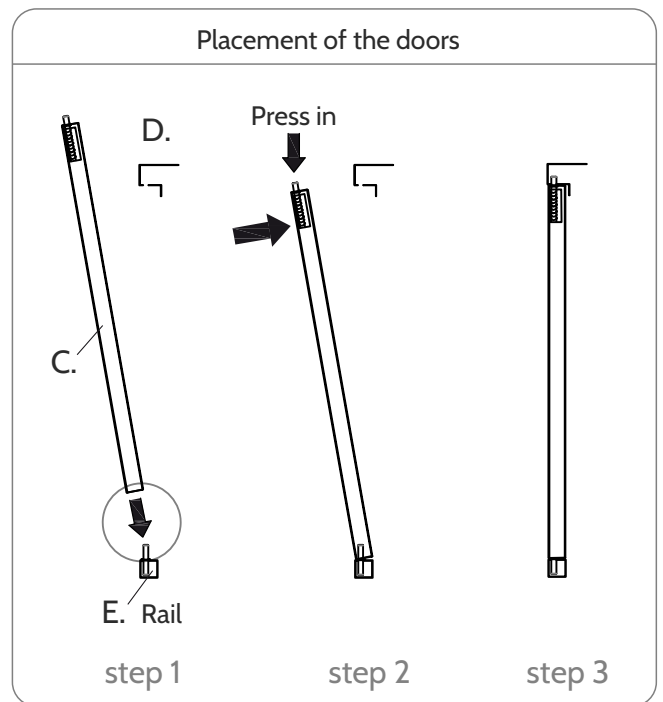

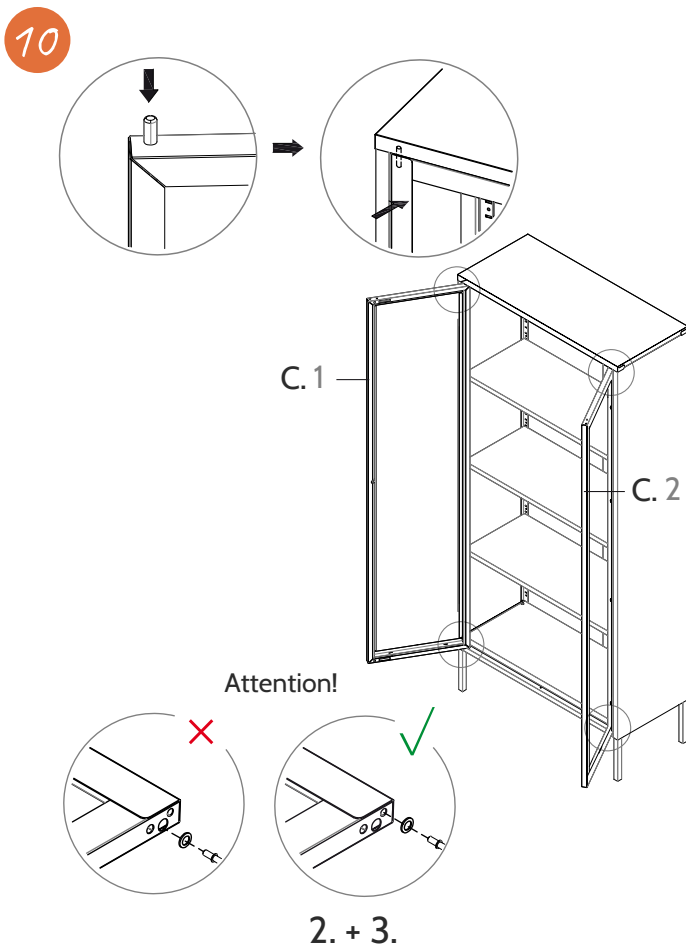

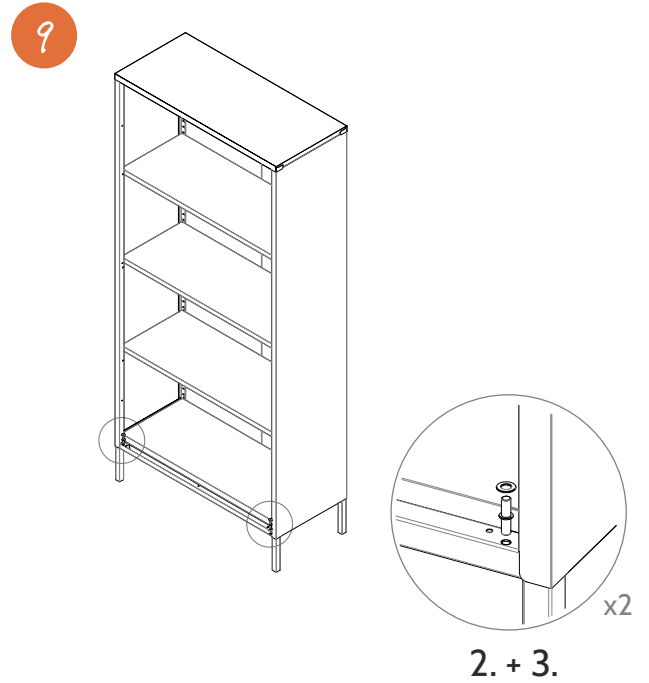

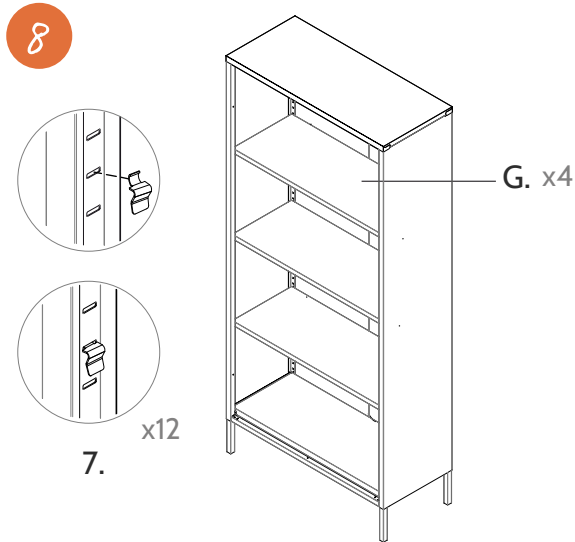

Lightly tighten screws. Once all 4 corners have been attached, you can tighten them.

# locker showcase cabinet Finn

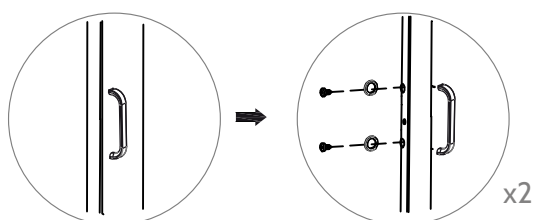

Attention! Place the top with the holes towards the back. (see step 13)
